

Edwardian 1.32ct Single Stone Diamond Gypsy Ring - Saddington Jewellery Stand 375
£6,450.00

A striking Edwardian 1.32ct single stone diamond gypsy ring, centred with a beautifully bright transitional brilliant cut diamond set into a substantial 18ct yellow gold mount. The diamond is held within a smooth rubover setting, surrounded by the softly domed gold of the substantial gypsy-style head. The broad shoulders taper gently into the shank, creating a wonderfully clean and balanced form that allows the diamond to remain the focus. The 1.32ct diamond is G-H in colour and VS1 clarity. The warm yellow gold contrasts beautifully with the lively white diamond, giving the ring the classic understated elegance associated with Edwardian gypsy rings. The ring weighs 10g and can be resized. Please contact us if you would like to know more about this fantastic ring or visit us at Saddingtons Jewellery, Mayfair.
