

### **Rounded Triangular Hoop Earrings - Saddingtons Jewellery Stand 375 £475.00**

A stylish pair of rounded triangular hoop earrings, crafted in polished 18ct gold with softly curved sides and a gently pointed base. The smooth tubular construction gives the earrings a clean, contemporary appearance, while the unusual rounded triangular silhouette offers a distinctive alternative to the traditional hoop. Lightweight and easy to wear, these earrings weigh 2.3g and are secured with a traditional tube-and-pin fastening where there is a 18k stamp. The hoops measure 3.5cm x 3.3cm.
