

Jaeger-LeCoultre Lapis Lazuli Effect Travel Alarm Clock
£700.00

Something a little different from the watchmaker's watchmaker.

Our present Jaeger-LeCoultre travel alarm clock features a beautiful lapis lazuli effect, Roman numerals and characterful cathedral-style hands.

Its 56.2mm wide × 60mm high × 20mm deep gold-plated brass case, is compact enough to travel with but equally at home on a desk.

It's a fun and collectible piece of JLC and would make a particularly thoughtful present.

It has been thoroughly inspected by our watchmaker, is fully functioning and keeping good time.

To give collectors peace of mind we provide a 1 year mechanical warranty.

Our boutique is located in Mayfair London, United Kingdom. All of our current inventory is available to view in store Monday to Friday from 11am to 5pm.

All of our watches are authenticated by vintage watch experts and we stand by every product we sell.

We ship worldwide and are at your service for any assistance you require.
