Price: £2250.00

Tudor Oysterdate 9050 – Rare Grey Dial – Full Set – 18/09/1980 – Recently Serviced

A highly attractive and increasingly difficult-to-find Tudor Oysterdate reference 9050, featuring the desirable and seldom-seen grey dial configuration. Dating from 18th September 1980 and confirmed by both its serial number (711xxx) and original paperwork, this superb vintage Tudor is presented as a complete full set with its original accessories and service history.

Fresh from a comprehensive service in 2024, this is a wonderful example of a classic Tudor from an era when the brand shared many components and design cues with Rolex, offering collectors exceptional vintage appeal and everyday wearability.

Condition Report

Case: Original condition, lightly polished and professionally cleaned. Very few marks of note.

Bezel: Excellent condition with light signs of age-related wear only.

Dial: Rare original grey dial showing light rubbing to the centre, consistent with age and adding to the watch's vintage character.

Crystal: Very good condition with light signs of use.

Bracelet: Very good condition with honest wear commensurate with age.

Overall: An exceptionally well-preserved vintage Tudor that presents beautifully for a watch over 45 years old.

Our View

Vintage Tudor references from this period continue to attract increasing attention from collectors, particularly those seeking Rolex-associated heritage without Rolex pricing. The reference 9050 is a perfect example, offering classic Oyster case proportions, robust automatic movement and understated styling.

What makes this particular watch special is the rare grey dial. Far less frequently encountered than
