

Omega Constellation 168.027
£1,500.00

Watch: Omega Constellation 168.027
Stock Number: CHW7513
Price: £1500.00

An exceptional watch, a rare one too this Omega Constellation sits on its original Omega bracelet and comes in its original box but that's not its best point, the linen dial is simply beautiful and it features a white gold serrated bezel too.

35mm stainless steel cushion shaped case, dated to 1969 by the serial number Automatic movement operating from a 564 calibre.

Condition: Worn as you can see, unpolished too so will show marks, blemishes etc however all original. A couple of light scratches on the glass. Watch can be polished upon request.

Accompanied with: Omega bracelet, original box, 12 month guarantee, next day delivery.

Working Order: Passed through our workshop to run at under 30 seconds per day. Can be serviced upon request at a small cost if requested.

Antique ref: CHW7513
