

**Edwardian 25.5? Stylised Knot & Trombone Link Albert Chain -
Saddingtons Jewellery Stand 375
£850.00**

A gorgeous Edwardian 25.5? stylised knot & trombone link Albert chain, crafted in silver and formed from elongated, slightly twisted trombone-style links alternating with distinctive stylised knot connectors. The unusual combination gives the chain a particularly elegant appearance, with the elongated links creating a graceful, fluid line. Hallmarked for Birmingham 1909 on the t-bar, the substantial 25.5 inch chain weighs 54.4g and is finished with a traditional T-bar and two dog clips. Its generous length and impressive weight make this a particularly striking example of early 20th-century Albert chain design.
