Tudor Black Bay Fifty-Eight Bronze 79012M – Full Set – 2022 – Tudor Warranty

A superb example of the highly sought-after Tudor Black Bay Fifty-Eight Bronze reference 79012M, presented as a complete full set from 2022 and benefiting from the balance of Tudor's 5-year manufacturer warranty.

Combining the vintage-inspired proportions of the Black Bay Fifty-Eight with the warmth and character of a full bronze case, this model has quickly become one of the most desirable modern Tudor references. The rich brown dial and bronze construction create a unique aesthetic that will continue to evolve as the watch develops its own individual patina.

Our View

The Black Bay Fifty-Eight Bronze is one of Tudor's most distinctive modern releases. The combination of the perfectly proportioned 39mm case, full bronze construction and rich brown dial creates a watch with tremendous character while remaining versatile enough for everyday wear.

Powered by the excellent MT5400 manufacture movement with its 70-hour power reserve, this watch
