Cartier Santos 100 Carbon WSSA0006 / 3774 – DLC Coated – Automatic – Presentation Pouch

A striking and increasingly desirable Cartier Santos 100 Carbon reference WSSA0006 (3774), presented in very good condition and fitted with a brand new Cartier black leather strap attached to its original Cartier deployant clasp.

The Santos 100 remains one of Cartier's boldest modern designs, and this DLC-coated model takes the iconic Santos aesthetic in a more contemporary and sporting direction. The stealthy black case, matching black dial and oversized Santos profile create an unmistakable presence on the wrist while retaining the elegance for which Cartier is renowned.

Our View

The Santos 100 Carbon is one of the most distinctive modern Cartier references. The DLC-coated case transforms the traditional Santos design into something far more contemporary while retaining all the heritage associated with one of the world's first pilot's watches.

The large case dimensions give the watch real wrist presence, while the in-house Cartier 1847 MC movement provides reliable everyday performance. The addition of a brand new Cartier strap only
