

Spectacular Art Nouveau Pendant/brooch with fine Plique a jour work £5,450.00

A spectacular Art Nouveau pendant/brooch with fine plique a jour work in the form of fine lily pads, set between warm, 18ct yellow gold veins. Above the lily pads sits a sparkling old mine cut diamond of approximately 0.40cts., finely claw set. This pretty pendant is set in platinum, amidst sweet rose cut diamonds which gently sparkle away. The piece is offset beautifully with a pear shaped pearl drop. The pendant converts to a brooch and has its fittings at the back. A fine, yet strong, old platinum chain, graces the pendant. The chain can be taken off from the pendant from the two bolt rings. It is presented in it's own fitted box.
