

**Edwardian Diamond Horseshoe Pendant - Saddingtons Jewellery Stand
375
£1,295.00**

A charming Edwardian diamond horseshoe pendant, set throughout with 12 Edwardian-cut diamonds totalling 0.36ct. The diamonds are graded G-H colour and VS2 clarity, giving the pendant a lovely combination of brightness and sparkle. The front is finished in silver, with a gold backing to the reverse. The traditional horseshoe form has long been associated with good fortune and protection, while the finely set antique-cut diamonds give this small pendant its distinctly Edwardian character. A particularly pretty and wearable piece of antique jewellery. The stunning pendant measures 1.23mm x 1.25mm and weighs 0.8g. The pendant does not come with a chain, a wide variety of chains are available upon request.
