

1970s Moonstone Statement Ring - Saddingtons Jewellery Stand 375 £950.00

A striking 1970s moonstone statement ring, centred with a large rounded cabochon moonstone displaying a soft, luminous blue-grey hue. The stone is surrounded by a distinctive radiating sunburst-style design, accented with delicate gold bead details. The ring is particularly beautifully detailed from the side, with a carved and textured gallery featuring scrolling decoration that continues beneath the setting and onto the shoulders. Crafted in 14ct gold and weighing 4.5g, its bold sculptural form is wonderfully characteristic of 1970s jewellery.
