

Gérald Genta Day-Date Ref. G2826.4 Moonphase 18K Yellow Gold £6,750.00

A rare and seldom-seen Gérald Genta.

Our present Gérald Genta Perpetual Calendar with the reference G2826.4 features a detailed dial combining a day, date, seconds and moonphase display, bringing together practical complexity.

Its 31mm case in 18K yellow gold offers elegant, compact proportions, with the warm tone of the gold complemented by a distinctive cabochon crown.

This timepiece comes complete with its original Gérald Genta-signed strap and 18K gold buckle.
