

Breitling Na
£2,800.00

A bold expression of Breitling’s aviation heritage.

Our present Breitling Navitimer Chrono-Matic with the reference 1806 features a black dial with luminous indices, dual chronograph registers and a date window at 6 o’clock.

Affectionately known among collectors as the “Fried Egg”, its bold layout and oversized proportions.

Its 48mm stainless steel case presents a commanding presence on the wrist, with a rotating slide-rule bezel, pump pushers and the unmistakable left-side crown that defines the Chrono-Matic design.

This timepiece comes fitted to a Hodinkee green strap, providing a contemporary contrast to its vintage character.

Inside beats a Breitling calibre 12 automatic movement.

It has been thoroughly inspected and serviced by our watchmaker, is fully functioning and keeping good time.

To give collectors peace of mind we provide a 1 year mechanical warranty.

Our boutique is located in Mayfair London, United Kingdom. All of our current inventory is available to view in store Monday to Friday from 11am to 5pm.
