

Victorian 15ct Yellow Gold Chain £3,850.00

A truly captivating necklace featuring 11 natural diamond spheres in finely cut facets, set in a 15ct yellow gold strand rolo chain. The diamonds vary in natural color and clarity, with the heart of the necklace featuring a large, brilliant-cut diamond rather than the usual round brilliant.

The star caps are set against the warm yellow gold against the warm yellow gold. Fastened with a simple clasp, this is a piece of jewelry from the Victorian era.
