

Vintage 18ct Spectrum A £5,450.00

A bold and elegant ring, featuring a large, brilliant-cut diamond, 1.5 carats, cut in a round brilliant setting, highlighting the diamond's natural Colombian origin.

Flanking the central stone are two smaller, brilliant-cut diamonds, 0.5 carats each, set in a channel setting. The ring is crafted from 18ct white gold, with a comfort-fit band. The diamonds provide a timeless elegance to this piece.

The ring is crafted from 18ct white gold, featuring a channel arrangement system. The design is a testament to the significance of the diamond.
