

9ct Lapis Signet Ring
£775.00

A striking solid 9ct yellow gold signet ring set with a large, oval-shaped lapis lazuli stone's rich royal blue color. This is a fine example of a 20th-century design.

The signet's simple, clean design is suitable for both men and women. The lapis lazuli contrasts beautifully with the gold.

A solid and substantial piece of jewelry. A fine heirloom piece.
