

Vintage 14c
Antiques
£2,750.00

A striking vintage line bracelet set with vivid Zambian emeralds totalling approximately 4.5 carats, beautifully complemented by bright brilliant-cut diamonds. Crafted in 14ct white gold, the bracelet has a crisp, elegant look that allows the saturated green emeralds to take centre stage.

Each emerald is securely claw-set and linked with diamond accents, creating a continuous sparkle around the wrist. Finished with a secure clasp and safety catch, this is the perfect piece for evening wear, occasion dressing, or elevated everyday luxury.
