Case: Vermeil case in good condition – wear and surface scratches consistent with age
Caseback: Cartier Paris signed, 925 silver hallmarked, clear legible engravings, light wear only
Movement: Quartz, keeping accurate time
Strap: Brand new leather strap, unworn

Our View

The Cartier Must de Cartier Ronde Vendome Vermeil is a quintessential 1990s Cartier design — versatile, slim, and unmistakably elegant. With its striking red dial, it balances bold contrast with refined detail. This is a great opportunity to acquire a well-preserved, unisex Cartier classic that wears as beautifully today as it did when it was first released.
