

Audemars P
£6,900.00

A refined and understated Audemars Piguet in solid 18K yellow gold.

Our present Audemars Piguet Hobnail, with the reference 63671, features a gold dial with slender baton hour markers and elegant dark hands, offering clear legibility while maintaining a refined, understated aesthetic.
Its 32mm in 18K yellow gold is beautifully executed with the Clous de Paris finish across the bezel and lugs. It adds subtle texture, while the slim profile makes it an effortless dress watch that slips neatly beneath a cuff.

It comes fitted with an attractive brown leather strap, secured by an 18K gold buckle.

Inside beats a Audemars Piguet calibre 2003 manual winding movement.

It has been thoroughly inspected by our watchmaker, is fully functioning and keeping good time.

To give collectors peace of mind we provide a 1 year mechanical warranty.
