Our View

The Constellation remains one of Omega's most enduring and recognisable collections, offering a distinctive blend of luxury and practicality. This reference perfectly captures the appeal of the range, with its elegant bi-metal construction, diamond-set dial and iconic Constellation case design.

The compact 22.5mm size wears beautifully on the wrist, while the reliable Omega quartz movement provides fuss-free ownership and excellent accuracy. The Mother of Pearl dial and diamond markers add just the right amount of luxury without overwhelming the classic design.

Presented as a complete set with its original warranty cards, manual and presentation box, this is an excellent opportunity to acquire a beautifully preserved example of Omega's flagship ladies'
