A sporty Gucci with a distinctive splash of blue.

Our present Gucci Pantheon Automatic Diver features a black dial decorated with a subtle “GG” pattern, complemented by luminous hands and hour markers.

Its 44mm stainless steel case offers a substantial presence on the wrist, framed by a two-tone blue unidirectional rotating bezel.

This timepiece comes fitted to a blue NATO strap, complementing the bezel and giving the watch a relaxed, sporty finish.

Inside beats a Gucci calibre 2024 automatic movement.

It has been thoroughly inspected by our watchmaker, is fully functioning and keeping good time.
