

Art Deco-St
£2,950.00

A breathtaking Art Deco-inspired cocktail ring, showcasing the timeless glamour and geometric elegance of one of jewellery's most celebrated design periods.

Taking centre stage is a magnificent approximately 2.00ct emerald-cut ruby, displaying a rich, vibrant crimson-red hue. Beautifully framed by sparkling diamonds, the central gemstone is complemented by striking geometric arrangements of smaller red gemstones, creating a wonderfully dramatic and sophisticated design.

The elongated setting features intricate diamond-set detailing, elegant scalloped edges and contrasting flashes of ruby red, capturing the unmistakable glamour of the Art Deco era.

Crafted in 18k white gold, this exceptional statement ring combines bold architectural styling with timeless femininity. Its impressive proportions and exquisite detailing make it a truly captivating piece, perfect for those who appreciate distinctive vintage-inspired jewellery.

A celebration of colour, craftsmanship and old-world glamour — this is a ring designed to be admired.
