Elegant proportions with a more complicated side.

Our present IWC Schaffhausen Da Vinci, with the reference 3736, features a white dial with gold-tone baton hour markers and matching hands, and a moonphase display at 12 o’clock.

Its 28.5mm case in 18K yellow gold frames the dial with a rounded, stepped bezel, while the distinctive articulated lugs give the watch an individual silhouette.

Inside we have an IWC calibre 630 quartz chronograph movement.

It has been thoroughly inspected by our watchmaker, is fully functioning and keeping good time.
To give collectors peace of mind we provide a 1 year mechanical warranty.
