**£1,600.00**

Iridescent colour, sculpted gold and a single diamond accent.

Our present Jaeger-LeCoultre Rendez-Vous, with the reference 421.5.09, features a dark mother-of-pearl dial whose shifting reflections bring depth to the display.

Its 29.5mm stainless steel case is framed by an 18K yellow gold bezel, creating an attractive contrast between cool metal and warm decorative detail.

The bezel’s pronounced geometric texture gives the watch a distinctive outline, while a single diamond marker adds a restrained touch of sparkle.

Comes fitted on its JLC signed strap and JLC signed buckle.

Inside beats a Jaeger-LeCoultre calibre 609 quartz movement.

It has been thoroughly inspected by our watchmaker, is fully functioning and keeping good time.
To give collectors peace of mind we provide a 1 year mechanical warranty.
