

Rolex Oyst
£2,700.00

A Rolex with a dial full of warmth.

Our present Rolex Oyster Speedking Precision, with the reference 5056, features a richly patinated dial, with mottled honey and amber tones spread across its pale background.

Its 29mm case takes a quieter role, its broad shoulders and rounded bezel providing a simple setting for the expressive dial.

Comes fitted on its Rolex stainless steel Oyster bracelet.

Inside beats a Rolex calibre E 47862 manual winding movement.

It has been thoroughly inspected by our watchmaker, is fully functioning and keeping good time.
To give collectors peace of mind we provide a 1 year mechanical warranty.
