Jacob & Co. Five Time Zone H24 Automatic 47mm

Jacob & Co. Five Time Zone H24 – A bold and instantly recognisable example of one of Jacob & Co.'s most iconic creations. The Five Time Zone collection became synonymous with oversized luxury watches during the early 2000s, combining distinctive styling with practical multi-time-zone functionality. This H24 variant features a substantial 47mm stainless steel case, black dial and automatic movement, delivering exceptional wrist presence and unmistakable character.

Dating to 2010, this example is presented in good overall condition and remains in excellent working order having recently passed through our workshop. Accompanied by a travel pouch and two spare JLC straps with deployment clasps, it offers an excellent opportunity to acquire a highly recognisable Jacob & Co. at an attractive price point.

Our View

The Five Time Zone remains one of Jacob & Co.'s most recognisable and influential designs. Bold, unapologetic and instantly identifiable, it became one of the defining luxury watches of the early 2000s and continues to attract collectors looking for something different from mainstream Swiss watchmaking.
