

Heuer Carre
£8,900.00

A chronograph that makes its impression through clarity rather than excess.

Our present Heuer Carrera 12, with the reference 2447N, features a black dial with three matching subsidiary registers, giving the display a cohesive, purposeful appearance.

Its approximately 35mm stainless steel case combines compact proportions with angular lugs, lending the watch a sharper profile than its modest dimensions might suggest.

Inside beats the Valjoux 72 manual-winding movement.

It has been thoroughly inspected by our watchmaker, is fully functioning and keeping good time.
To give collectors peace of mind we provide a 1 year mechanical warranty.

Our boutique is located in Mayfair London, United Kingdom. All of our current inventory is available to view in store Monday to Friday from 11am to 5pm.

All of our watches are authenticated by vintage watch experts and we stand by every product we sell.
