

Jaeger-LeC
£2,500.00

A little formality, with plenty of personality.

Our present Jaeger-LeCoultre features a salmon toned dial with Arabic quarter numerals, faceted gold-toned hour markers and matching dauphine style hands.

Its 19mm square case in 18K gold combines softly rounded corners with flared lugs bringing a more expressive touch to the design.

Inside beats a Jaeger-LeCoultre calibre 460/2B manual winding movement.

It has been thoroughly inspected and serviced by our watchmaker, is fully functioning and keeping good time.

To give collectors peace of mind we provide a 1 year mechanical warranty.

Our boutique is located in Mayfair London, United Kingdom. All of our current inventory is available to view in store Monday to Friday from 11am to 5pm.

All of our watches are authenticated by vintage watch experts and we stand by every product we sell.

We ship worldwide and are at your service for any assistance you require.

Diameter	19mm
