Omega Genève Date Automatic 366.0832 36mm 1975 – Box & Papers

Omega Genève Automatic 366.0832 – A superb example of Omega's popular Genève collection, combining classic 1970s styling with dependable Swiss automatic watchmaking. Featuring an elegant champagne-silver dial, applied hour markers and a practical date display at 3 o'clock, this reference perfectly captures the refined aesthetic that made the Genève range such a success during the era.

Presented with its original box, original papers dated 08/12/1975 and original Omega stainless steel bracelet, this is an increasingly difficult configuration to find today. The combination of originality,
