£3,200.00

A rare and playful take on the integrated bracelet sports watch.

Our present Eberhard & Co. Royal Matic, with the reference 17174, features a slate-grey dial with a fine tapisserie-style grid texture, paired with slim, gold-toned baton markers and matching hands.

Its 27mm case is in gold-coloured stainless steel, with a brushed finish and an octagonal-style bezel secured by eight visible screws, giving the watch a distinctive, confident presence.

Fitted to its original Eberhard-signed clasp, the bracelet matches the case in colour and keeps the watch looking uniform.

Inside beats the Eberhard calibre 28.800AH automatic movement.

It has been thoroughly inspected and serviced by our watchmaker, is fully functioning and keeping good time.

To give collectors peace of mind we provide a 1 year mechanical warranty.
