

Omega Jeu
£3,150.00

A sculptural take on the De Ville, finished entirely in silver.

Our present Omega De Ville Jeux d'Argent, with the reference 546, features a brushed blue dial with slender Roman numerals at 12 and 6.

Its 22mm oval 925 silver case is slim and elongated, with soft, flowing lines that frame the blue dial and give the watch a graceful, understated presence on the wrist.

Comes fitted on its Omega 925 silver bracelet, made up of large twisted-rope links, which gives the watch a sculptural, jewellery-like character.

Inside beats a Omega calibre 620 manual winding movement.

It has been thoroughly inspected by our watchmaker, is fully functioning and keeping good time.

To give collectors peace of mind we provide a 1 year mechanical warranty.
