

TAG Heuer Ref. WS2110-2 Super Professional 1000M
£1,450.00

Built for the deep and unmistakably robust.

Our present TAG Heuer Super Professional 1000M, with the reference WS2110-2, features a black dial with large luminous circular hour markers and a date window at 3 o'clock.

The matt black surface is clean and easy to read, and the markers give the watch a purposeful, tool-watch look

Its 42mm bead-blasted stainless steel case is a monobloc design with a solid, one-piece construction and
