

**A very fine Diamond, Nephrite Jade & Lapis Lazuli Platinum Art Deco Brooch, Circa 1930**  
**£6,850.00**

An extremely finely made Platinum (tested) "Art Deco" Brooch, Pave set with numerous fine Diamonds in an elongated open buckle style with two terminal Pillars (one to either side of the brooch) each set with (2) Lapis Lazuli sections (4 in total) and two carved Nephrite Jade Terminals (4 in total). Two further Nephrite Jade panels in the form of stylised pediments are centrally set to the top and bottom of the brooch. The back plate of the brooch completed in one piece (to match the front) and an indecipherable marking to the rear of the brooch.

Circa. 1930
