

Organic Coral Branch Hair Comb | Victorian c.1880s **POA**

A vivid Victorian hair comb, set with natural red coral branches arranged in a wild crown above a curved comb mount.

Made in England around the 1880s, coral was believed to offer protection and vitality, making it both a decorative and meaningful material.

Measuring 10.5cm across and 11cm high, style it into an updo for a dramatic crown effect or anchor into loose waves.
