

Art Deco Onyx & Diamond Cufflinks | French c.1920s POA

A wonderful pair of French Art Deco cufflinks from the 1920s, crafted in platinum and 18ct gold.

Each cufflink features a circular onyx centre framed by a border of diamonds, with an estimated total weight of 0.70 carats.

The contrast between the polished black onyx and the sparkle of the diamonds epitomises the clean geometric elegance of the Deco era.

Hallmarked with the French owl and eagle's head, together with maker's mark M.D, these cufflinks measure approximately 1.5cm across and remain in excellent condition.
