

## **Striped Green Guilloché Enamel Cufflinks | 18ct Gold | Swiss c.1960s POA**

A beautifully made pair of cufflinks from the 1960s, attributed to Switzerland, and crafted in 18ct gold finished with rich green guilloché enamel.

The enamel is laid over an engine turned gold ground, creating crisp, linear stripes that shimmer subtly as the light moves across the surface, refined but quietly bold.

Elegant Swiss design, and timeless on the cuff.

Diameter approx. 1.4cm.
