Downstairs at Grays: A very fine Antique Art Deco Diamond Bar Brooch, Circa 1930
£2,550.00

This exquisite Art Deco Diamond Bar Brooch is a masterful showcase of 1930s craftsmanship, meticulously crafted in Platinum (tested). The sleek geometric silhouette is beautifully complemented by fine Greek Key engraving along the sides, a classic motif that epitomises the sophisticated elegance of the era.

At the heart of this antique piece are twelve well matched Diamonds, carefully selected for their exceptional quality. Each gemstone features precise 'Transition cuts' that capture and refract the light with that distinctive, softer fire very evocative of the 1930's. This original vintage brooch seamlessly combines the bold architectural lines of the period with a refined, wearable grace.

Adding to its unique provenance and historic charm, the side of the brooch features a later engraved dedication for '1957'. This thoughtful addition tells a story of enduring appeal. Whether worn as a statement piece on a lapel or added to a curated collection of fine antique jewellery, this beautiful bar brooch remains as timeless and captivating today as it was in the twentieth century.
