

Art Deco Diamond Necklace. S.Greenstein
£8,950.00

stunning transformative late Art Deco diamond necklace set in 18k white gold. It can be worn as a full necklace or transformed into two bracelets. Approx 6ct of diamonds total weight. This is a very unusual piece. Antique transformative jewellery is getting harder and harder to find, and thus getting more and more valuable. This piece would make both a great investment and a wonderful piece to wear. S.Greenstein & Co
