

Stylish French 18ct gold necklace DBGEMS
£2,500.00

Graduating four textured link chain. French 18ct 16 inches long. 14mm to 9.5mm. This is a great every day item and you will get a great amount of wear out of this. Perfect with a formal outfit or with casual. I love the texting because it softens the look of the gold and is a fab amount of extra detail. We also offer layaway terms to spread the cost. Please email me to discuss.
