Downstairs at Grays: Sold. A 3.66 Carats Diamond Solitaire Engagement Ring mounted in Platinum, Circa 1950
£36,650.00

Sold. A very beautiful vintage Platinum (tested "950") Round Brilliant Cut Diamond Solitaire ring, the perfect engagement ring. Our assessment of the colour range for this Diamond is K - L (please note our assessment of the colour was made while the Diamond remained in its setting). This magnificent ring is also accompanied by an Independent Gemological report (dated 23/10/24), describing this Diamond as weighing 3.66 Carats, of K Colour and VS1 Clarity. The elegantly crafted shoulders are set with six smaller "Round Brilliant Cut" Diamonds (3 on either side), and these are estimated as weighing 0.09 Carats, of G - H Colour and VS Clarity.

It should be noted that the clarity of this Diamond "VS1" is rare in stones of this size.

Both of the assessments of colour and clarity have been made while the stones have remained in their settings.
