

**A very fine 1.60 Carat Old Cut Diamond & Platinum Solitaire Ring with French Cut Diamond Shoulders, English, Circa 1930
£14,850.00**

An exceptional and very fine "Old Cut" Diamond Solitaire Engagement ring, six raised claw set in Platinum (marks to the inside of the shank). The central Diamond is flanked on either side by two collet-set "Old French Cut" Diamonds (four in total). The central Diamond is assessed as being of 1.60 Carats, I Colour and VS2 Clarity and the side stones total 0.22 Carats, G - H Colour and VS Clarity.

The Classic "Art Deco" Engagement Ring, please note the clever use of the four "French Cut Diamonds on the shoulders; these are generally much deeper than the average Baguette Cut Diamond and therefore afford greater light refraction throughout.

This beautiful ring is accompanied by an Independent Gemmologist's Report confirming the above assessment.
