Downstairs at Grays: A very fine Diamond Art Deco Elongated Brooch in Platinum & 18ct Gold Tested, Circa 1920
£6,950.00

A refined Diamond Art Deco Elongated Brooch in Platinum & 18ct Gold Tested, crafted with the elegant restraint and architectural flair characteristic of the 1920's. Five graduating Old Cut Diamonds are rub?over set along the central line in a floating style, giving a subtle sense of movement and lightness that draws the eye.

Surrounding this are open strapwork foliate forms, beautifully layered and meticulously Pave set with numerous smaller Diamonds. Together they offer an estimated total of approximately 3.8 Carats (un?weighed), creating a sophisticated interplay of brilliance without overwhelming the piece’s graceful proportions.

Circa 1920, this brooch embodies the quiet luxury and craftsmanship of the Art Deco movement, making it an exceptional choice for collectors who appreciate both design pedigree and wearable elegance.
