

**Downstairs at Grays: A very fine Emerald and Diamond Cluster Engagement Ring mounted in 18ct White Gold, English, Circa 1955
£4,650.00**

A very fine 18ct White Gold (marked) Emerald and Diamond Cluster Ring, centrally collet-set with a lovely square step-cut Emerald of approximately 1.00 Carat (unweighed), surrounded by ten round brilliant-cut Diamonds in granulated settings with two further Diamonds (one to each shoulder), the Diamonds are all very well matched and have been assessed by ourselves as being of H - I Colour and VS - SI Clarity and with a total of approximately 1.00 Carat (unweighed).

Some wear to millegrain edging observed and this is commensurate with this beautiful rings age.
