A: Nanna & Jørgen Ditzel were a Danish designer couple whose most famous design is the Hanging Egg chair from 1959. Ditzel's organic designs and innovative use of materials gained popularity in the 1950s, and their jewellery line was awarded with gold medal in Milan's Triennale in 1954 and with the Lunning Prize in 1956. After her husband's death in 1961, Nanna Ditzel continued her successful career as a designer until her death in 2005. Photo of Nanna & Jørgen Ditzel included in the Photo Gallery.
