

Marquise Diamond Solitaire 18ct Gold Ring | English c.1990s POA

A beautiful marquise diamond solitaire ring, made in England in the 1990s and set in 18 carat yellow gold with a platinum tipped claw setting.

The central diamond weighs approximately 0.55 carats, cut in a flattering marquise shape, and graded VS for clarity, the diamond is bright and clean with a gentle warmth from its M colour.

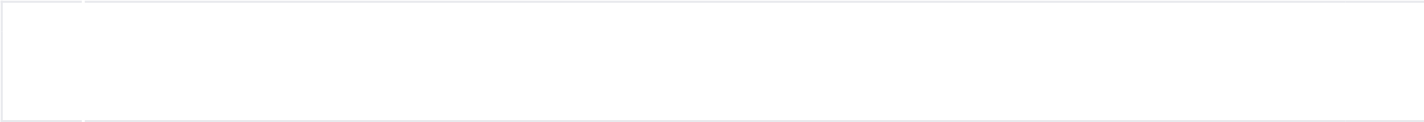

Hallmarked in Sheffield.

Ring size L
