

Sapphire & Old Cut Diamond Cluster Ring | English c.1940s POA

A graceful and timeless ring, crafted in England during the 1940s, featuring a vivid royal blue natural sapphire weighing approximately 0.70 carats, surrounded by old cut diamonds totalling around 1.00 carat, in a platinum topped setting over an 18 carat gold band.

The ring's head measures 1.3cm across and sits low and comfortably on the finger.

Ring size: I½
