

Ruby & Diamond 18ct Gold Ring | English c.1930s POA

A beautiful ruby ring, set in 18ct yellow gold and designed with a striking double row of alternating rubies and old cut diamonds.

The checkerboard style layout features approximately 0.40 carats of rubies and 0.50 carats of old cut diamonds.

Hallmarked "18 CT", the ring was likely made in England around 1930, it is low set and timelessly wearable, alone or stacked.

Ring size currently: J½
