

**Downstairs in Grays: An exceptional pair of Antique Natural Jadeite (untreated), Diamond & Pearl Earrings set in 18ct Yellow Gold & Platinum, Circa 1920-1930.
£7,800.00**

An exceptional pair of 18 Carat Yellow Gold and Platinum (tested) "Art Deco" carved Natural Jadeite (untreated), Diamond and Seed Pearl Drop Earrings, Both natural untreated Jadeite panels are beautifully carved and pierced in a floral/foliate formation. Each piece of Jadeite is surrounded by a stylized edged gallery set with numerous Diamonds with further Diamonds set in the same manner running along the articulated drop towards the terminals each set with a fine Seed Pearl (one to each Earring). This a beautiful and exceptionally executed pair of "Art Deco" Earrings and they have post and butterfly fastenings (probably a later adaptation). These beautiful Earrings are set with 54 Diamonds in total: 32 "Rose Cuts" Diamonds 18 "Single Cut" Diamonds and 4 "Old European Cut" Diamonds.

The Earrings are accompanied by an Independent Gemological Report assessing the Jadeite as natural and untreated "A-jade".

It should be noted that untreated Jadeite is rare.
