

### **Diamond & Pearl Double Heart Brooch Pendant | Victorian c1900s POA**

A romantic Edwardian brooch pendant from the early 1900s, crafted in 18ct gold. At its centre are two intertwined hearts, pavé set with old cut diamonds, linked by a diamond set bridge, a timeless symbol of love and connection.

The hearts are set on a vibrant guilloché enamel ground in deep royal blue, and framed by a halo of pearls. The piece measures 3cm across and is fitted with a concealed loop, allowing it to be worn as both a brooch and pendant.
