

**Pair of Gold Enamel Cufflinks | Blue Guilloché Cat Portrait & Diamond Collar | English 1895
POA**

An exceptional pair of English cufflinks, dated 1895 and unlike anything else.

Each round face is decorated with a finely rendered cat portrait with diamond collar set beneath a rich field of royal blue guilloché enamel.

On the reverse, the engraved dedication reads “Uncle Charles 1895”, a glimpse into a personal story now lost to time, but rich with charm and character.

The baton terminals are equally refined, enamelled in matching blue and each set with a single old cut diamond, not a detail was spared in their making.

The craftsmanship is undeniably high, likely London made, with all the eccentricity and affection of late Victorian bespoke jewellery.
